Applications    Requirements

## Applications

Welcome to your Grants Portal homepage.

This page can be used to start a new application, continue working on 'In Progress' applications or view 'Submitted' applications.

Step-by-step guidelines for using the Grants Portal can be downloaded here. To find out more about the application process for each grant fund, visit our website. Please also ensure that you have read our Eligibility Guidance to understand what we fund. Please note that all information provided will be subject to our Privacy Policy.

### Reporting Requirements

Requirements refer to any tasks you need to complete to progress your grant further. Primarily this will relate to your reporting or grant contracts. To view any outstanding requirements please click on the Requirement tab above, if this tab is not yet visible it means you currently do not have any requirements linked to your applications.

### Tips and guidance

You can save your progress on your application at any time, and return to it later. You will be emailed a copy of your application each time it is saved.

**Please note**: The application form will time out after 45 minutes if left idle (you are not working on it), or after 60 minutes on one page. If your application times out and you have not saved your progress, any data will be lost. You will receive a reminder to save your work before it times out, however we recommend saving every 30 minutes anyway.

When completing the application form, we strongly recommend you answer every question. Please take the time to check your application carefully, especially the grammar and spelling of your/your organisation's contact details to avoid any delays in processing your application.

On submitting your application, you will receive an email to confirm that it has been received by John Lyon's Charity. If you have any difficulties, please get in touch.

### Navigation

You can move forwards and backwards through your application by clicking on any of the section headings at the top of the page. Do not use the back button on your browser as this could lead to you losing your work.

**This is your Grants Portal homepage. Click on the 'Requirements' tab.**
**'Requirements' are any tasks you need to complete for your application.**
If you are unable to see the 'Requirements' button, try using another internet browser, such as Google Chrome:  https://www.google.com/intl/en_uk/chrome/
